

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 6206

IN THE MATTER OF:

Served May 7, 2001

Application of DAFRE, INC.,)
Trading as DAFRE TRANSPORTATION,)
for a Certificate of Authority --)
Irregular Route Operations)

Case No. AP-2001-21

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operations with two vans and one minibus. Applicant's proposed tariff contains hourly charter rates with minimum charges.

Applicant filed a balance sheet as of September 30, 2000, showing assets of \$31,907; liabilities of \$36,818; and negative equity of \$4,911. Applicant's projected operating statement for the first twelve months of WMATC operations shows WMATC revenue of \$50,000; other revenue of \$180,000; expenses of \$199,200; and net income of \$30,800.

Applicant's negative equity raises the issue of applicant's financial fitness. Commission precedent requires that an applicant demonstrate financial fitness by showing the present ability to sustain operations during its first year under WMATC authority. In this case, applicant is a going concern projecting a net positive cash flow during the first twelve months of WMATC operations. We have found other carriers financially fit under similar circumstances.

Applicant certifies it has access to, is familiar with, and will comply with the Compact and the Commission's rules and regulations thereunder.

² E.g., Order No. 6012 (going concern projecting net positive cash flow); Order No. 5783 (same).

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 607 shall be issued to Dafre, Inc., trading as Dafre Transportation, 6153 River Forest Drive, Manassas, VA 20112-3047.

4. That the grant of authority herein shall be void and the application shall stand denied upon applicant's failure to timely satisfy the conditions of issuance prescribed herein.
